

ParseInterface

```
classDiagram
    class ParseInterface
    class B
    B --|> ParseInterface
```

A UML class diagram illustrating an inheritance relationship. At the top is a white rectangular box with a black border labeled "ParseInterface". Below it is a gray rectangular box with a black border labeled "B". A solid blue arrow points vertically from the top of box "B" to the bottom of box "ParseInterface", indicating that class "B" inherits from or implements the "ParseInterface".
